Parent, Family, and Community Engagement Framework

PARENT, FAMILY, AND COMMUNITY ENGAGEMENT FRAMEWORK

When parent and family engagement activities are systemic and integrated across program foundations and program impact areas, family engagement outcomes are achieved, resulting in children who are healthy and ready for school. Parent and family engagement activities are grounded in positive, ongoing, and goal-oriented relationships with families.

	Positive & Goal-Ori	ented Relationships	
Program Leadership	Program Environment	Family Well-being Positive Parent-Child Relationships	Children are ready for school and sustain development
	Family Partnerships	Families as Lifelong Educators	and learning gains through third grade
